Offer by Hitler to Quit Is Forecast in London

By The United Press.

LONDON, Monday, Oct. 2—The Daily Mirror's diplomatic correspondent wrote today that Chancellor Hitler was believed to be preparing "what he considers his cleverest diplomatic trick—an offer to abdicate," when he addresses the Reichstag this week.

"He will play his trump card," The Mirror said, "and declare, 'They say they are fighting Hitlerism. Then I am prepared to go. I have created Greater Germany. Now I am ready to hand over my burden to Goering.' "

The Daily Sketch, another tabloid newspaper, also said a report was current that Herr Hitler was "willing to go into personal retirement."

4 BRITISH PLANES DOWNED IN BATTLE

Fifth Returns to Base After Completing Reconnoissance Objective, London States

By ROBERT P. POST

Wireless to The New York Times.

LONDON, Oct. 1—Five British planes set out yesterday on a reconnoissance flight over a heavily defended part of the Saar Basin, deep behind the Westwall. The flight was attacked by fifteen German Messerschmidt fighters. Three British planes were shot down and another was forced down in German territory, but the fifth, flown by a squadron leader, bagged two attackers, carried out the reconnoissance and returned so badly damaged that it cracked up and caught fire when it landed. But all three of the crew missed death and the purpose of the flight was achieved.

So in bare outline ran the first detailed story of the exploits in which British and French fliers are fighting, photographing, spotting and reconnoitering far inside German territory.

[The German High Command announced in a communiqué that ten British and two French planes were brought down on the Western Front, while in a battle over the North Sea two British and two German planes were brought down.]

Red Troops Mass on Border—Turkey Resists Pressure at Kremlin Parley

Wireless to The New York Times.

COPENHAGEN, Denmark, Oct. 1—Fate has hit Latvia faster than had been expected. Tonight a Stockholm report from Riga declares that the Estonian Foreign Minister, Karl Selter, on his return from Moscow, brought an alarming message to the Latvian Government. It was an "invitation" from the Soviet Union to send a delegation to Moscow.

Mr. Selter also was able to inform Latvian officials of the chief demands the delegation will meet when it arrives at the Kremlin. One will be a new trade agreement, the Soviet demanding Libau and Windau as Russian export trade harbors. The second will be a non-aggression pact like the Estonian-Russian agreement.

The third will be naval access to the harbor of Libau, where one or more Russian warships would be stationed permanently. The fourth will be the right to protect Libau with a division of the Red Army.

Nervousness is spreading rapidly in Latvia, following disclosures that twenty divisions of the Russian Army have been moved from the Estonian border to the Latvian border. Foreigners are rapidly leaving Riga and all air routes are overbooked.

Libau, with 60,000 inhabitants, before the World War was one of the most important Russian export harbors. It is directly connected by railway with Central Russia and the Ukraine. From 1893 to 1906 the Russians developed a navy base there. The harbor of Windau is smaller but deeper and has the advantage of being seldom icebound.

Latvian Mission Off Today

Special Cable to The New York Times.

The International Situation

Britain gave a twofold answer yesterday to whatever peace proposals are being hatched by Chancellor Hitler. First, Winston Churchill said on the radio that it was not the right of men who started wars to say when they should cease and added that large-scale armies were being groomed for the front. Second, the King issued a proclamation calling 250,000 more men to the colors. [Page 1; text of the Churchill address Page 4.]

The "peace offensive" went forward in Berlin, however, with the arrival of Foreign Minister Ciano of Italy, who had a long conference with Herr Hitler. Broad hints were put out that there was a great opportunity for Premier Mussolini, Joseph Stalin and President Roosevelt to step in as mediators and rumors circulated that Premier Mussolini was proposing a seven-power conference that would include the United States. [Page 1.] No information was given out about Count Ciano's mission and Rome seemed as mystified about it as any other capital. [Page 3.]

Russia continued to make hay. She sent an "invitation" to Latvia to dispatch a delegation to Moscow, where, it was reported, the Soviet would demand the use of two Latvian ports for her trade and one as a naval base together with the right to garrison troops on the country's soil. Thus, Latvia seems slated to go the way of Estonia. [Page 1.]

Turkey, whose Foreign Minister finally saw the Soviet Premier and was believed to have stood out firmly against his demands, believed that Russia's threatening attitude was due to German incitement with the idea of embroiling Russia with the Allies. [Page 4.]

On the heels of word that German U-boats would sink armed merchant ships on sight came news that a Danish freighter bound for Scotland and carrying no cargo had been torpedoed without warning at a cost of eleven lives. While the horror-stricken Danes thought this presaged unrestricted submarine warfare, Berlin itself was indefinite as to its policy. [Page 1.]

Increased aerial activity featured the fighting on the Western Front. London's version of Saturday's battle over the Saar Basin said that five British planes had encountered an enemy fleet of fifteen. Three of the British craft, said London, were shot down, another was forced down but the fifth conquered two attackers and returned badly damaged. Berlin announced that Germans had brought down ten British and two French planes on the Western Front and two British planes over the North Sea, where two Nazi craft were lost. [Page 1.]

Harmony reigned among the Pan-American conferees at Panama. Agreement was foreseen on the major issues, including a request to belligerents to keep their war activities out of a safety zone around the American coasts and to omit foodstuffs and clothing from contraband lists. [Page 6.]

In Washington the stage was set for the opening today of debate in the Senate on the new Neutrality Bill. [Page 1.]

Increase in Fighting Forces Is Preparation to Send More Men to France

By RAYMOND DANIELL

Wireless to The New York Times.

LONDON, Oct. 1—King George and a spokesman for his government, each in his proper sphere, served forceful notice upon Chancellor Hitler tonight that Britain was at war in deadly earnest.

In a speech broadcast over the vast farflung Empire and to neutral countries as well as the British Isles, Winston Churchill, First Lord of the Admiralty, declared it was not the province of the men who start wars to say when they shall cease. He said that armies "upon the scale of the effort of the Great War" were being prepared to join the large forces already in France.

As though to emphasize the grim determination which Mr. Churchill's broadcast reflected, the King, after meeting his Privy Councillors, issued a proclamation ordering all men of 20 to 22 to hold themselves ready for a call to the fighting forces.

Mr. Churchill's words at least were designed to convince the Nazis, who still seem to think they can avoid a test of arms in the West, that they are pursuing an illusion if they believe the Allies will call off the war, leaving victory to the forces of aggression.

Voices British Firmness

Mr. Churchill made a fighting speech, voicing the determination of the British to accept whatever sacrifices were necessary to protect their way of life and the ideals they cherish. It covered many fields beyond the scope of the Admiralty, not excluding foreign relations, and it was an address such as one might expect the head of the government to deliver.

As a war leader Mr. Churchill is already beginning to overshadow

On September 2nd 1939 a delegate of the Labour Party met with the British Foreign Minister Halifax in the lobby of Parliament.
“Do you still have hope?” he asked. “If you mean hope for war,” answered Halifax, “then your hope will be fulfilled tomorrow.” – “God be thanked!” replied the representative of the British Labour Party. (Professor Michael Freund)

“In April, 1939, (four months before the outbreak of war) Ambassador William C. Bullitt, whom I had known for twenty years, called me to the American Embassy in Paris. The American Ambassador told me that war had been decided upon. He did not say, nor did I ask, by whom. He let me infer it. … When I said that in the end Germany would be driven into the arms of Soviet Russia and Bolshevism, the Ambassador replied: “What of it? There will not be enough Germans left when the war is over to be worth Bolshevising.”

The Story of the Waffen SS. Leon Degrelle
Now in the summer of 1939 the governments of Britain and France were secretly negotiating a full military alliance with the Soviet Union. The talks were held in Mos-cow and the minutes were signed by Marshal Zhukov. I have these minutes in my possession. They are stupefying. One can read a re-port guaranteeing Britain and France of Soviet participation against Germany. Upon ratification the Soviet Union was to provide the Anglo-French forces with the Soviet support of 5500 combat planes immediately plus the back up of the entire Soviet air force. Between 9,000 to 10,000 tanks would also be made available. In return, the So-viet Union demanded the Baltic states and free access to Poland. The plan called for an early joint attack.
Germany was still minimally armed at that stage. The French negotiators real-ized that the 10,000 Soviet tanks would soon destroy the 2000 German tanks but did not see that they would be unlikely. to Stop at the French border. Likewise the British government was quite prepared to let the Soviets take over Europe.P14

100 ROYAL AIR

Edmonton Bulletin July 19th 1939

A German soldier found a curious document while rummaging through train wagons at the La Charite station on June 19, 1940. He immediately handed over the document-which bore a particular remark-to his superiors at departmental headquarters. From there the paper passed to agencies. It became clear that what had been discovered constituted evidence in a most important investigation. The train station was once more thoroughly searched. And it was thus that the High Command of the Wehrmacht came into possession of a collection of documents of unique historical significance.

What was found were the secret files of the Allied High War Council, including the protocols of all sessions of this illustrious association. And this time it shall not be possible for Mr. Churchill to simply deny or lie about the authenticity of these documents, as he had attempted to do at the time in the case of documents found in Warsaw. For these documents feature handwritten notes in the margins penned by Gamelin, Daladier, Weygand, and so on. Hence these gentlemen are free either to admit to these or to disown them at any time. And these documents enlighten us as to the dealings of these gentlemen who have an interest in the war and in its expansion. They will above all demonstrate how these cold-blooded politicians and military men have used all these small peoples as a means to an end; how they tried to subject Finland to their interests; how they determined to make Norway and Sweden the theater of war; how they planned to set fire to the Balkans to procure the assistance of 100 divisions from there; how they prepared to bomb Batum and Baku under the cover of a shrewd as well as unscrupulous reading of the Turkish neutrality in favor of their own interests; how they spun their web around the Netherlands and Belgium, pulling its strings constantly tighter, and finally engaging them in general staff agreements; as well as many other

things.The documents afford us, moreover, a good picture of the entire amateurish method which these policy-making warmongers employed in an attempt to contain the fire they had kindled. These speak of their military pseudo-democracy which is jointly responsible for the gruesome fate which they have inflicted on hundreds of thousands and millions of soldiers of their own countries; of their barbaric lack of conscience which led them to drive their own peoples from their homes in cold blood and deliberately, in a mass evacuation whose military consequences were not necessarily favorable to them, while the general human results were shockingly gruesome. The same criminals are at the same time responsible for whipping up the Poles and inciting them to war. Eighteen days later this campaign ended-for all practical purposes.

CHURCHILL CABLEGRAM

In October 1939 following the Munich appeasement confer-ence, Churchill sent the following cablegram through the State Department in the code of our State Department, to President Roosevelt:

"I am half American and a natural person to work with you. It is evident we see eye to eye. Were I to be-come Prime Minister of Britain we could control the world."

This enigmatic cablegram needs interpretation. What does he mean by saying, "I am half American and a natural person to work with you: It is evident we see eye to eye"? It is very clear that he means by "we see eye to eye" that he knew Mr . Roose-velt was trying to bring about war. It was the language of a hybrid Jew to a hybrid Jew and from an ambitious war-maker to an ambitious war-maker, and Mr . Roosevelt no doubt understood it. It also meant that Churchill was against the Munich agreement just as Roosevelt was.P43

Stalins Plan for an invasion of whole Western Europe(on July 10, 1941.): “Operation Thunderstorm”. It can be found in the so-called “Osobaya Papka”, a file which contains about 100,000 Top Secret documents. In this file it is document Nr.103202/06. The paper is signed by Marshal Semyon Timoshenko and the chief of the General Staff at that time Merezkov. It is dated 18 September 1940, three months before the German “Operation Barbarossa” was signed. After Georgy Zhukov became chief of the general staff in February 1941, the plan was called MP 41 (Mobilisatsyonni Plan 41). Bunich points to the Russian military archives, where it can be found (ZAMO, f. 15A, op.2154, d.4,l. 199-287). This document contains information about the Soviet military power in June 1941: 300 divisions, 8 million soldiers, 27,500 tanks, 32,628 airplanes.

A further testimony deserves attention: The then highly decorated Commander in-Chief of the Twentieth Soviet army, promoted at the beginning of 1942 to Deputy Commander-in-Chief of army group Volkhov, the General Andrei Andreievich Vlasov, who, in 1942 in Berlin after his capture, replied to the question F.D. p. 56......... “The offensive had been intended for August/September 1941. The Soviets had been forming up since the beginning of the year, which, due to the bad Soviet railroad lines, went rather slowly. Hitler judged the situation perfectly and plowed right into the Soviets while they were deploying.” P381.... That on entering the USSR German troops had found Soviet General Staff maps that showed objectives advancing deeply into
Germany, but also other unmistakable proof of a different kind, up to the point of Soviet school text books teaching the need for the conquest of Europe, is to be mentioned only in passing.45) Peculiar is the only word for describing the manner of appraisal that trivializes
these facts and would like, most of all, to bury them completely, not accepting them as valid.

Forbid the Whites to mate with Whites. The White Women must cohabit with members of the dark races, the White Men with black women. Thus the White Race will disappear, for the mixing of the dark with the White means the end of the White Man, and our most dangerous enemy will become only a memory. We shall embark upon an era of ten thousand years of peace and plenty, the Pax Judaica, and our race will rule undisputed over the world. Our superior intelligence will easily enable us to retain mastery over a world of dark peoples.
Question from the gathering: Rabbi Rabinovich, what about the various religions after the Third World War?
Rabinovich: There will be no more religions. Not only would the existence of a priest class remain a constant danger to our rule, but belief in an after-life would give spiritual strength to irreconcilable elements in many countries, and enable them to resist us. We will, however, retain the rituals and customs of Judaism as the mark of our hereditary ruling caste, strengthening our racial laws so that no Jew will be allowed to marry outside our race, nor will any stranger be accepted by us. (Note:

CHURCHILL HANDLER - THE EVIL PROFESSOR FREDERICK LINDEMANN
Political puppets like Winston Churchill generally have a personal buffer between themselves and the really big masters of the New World Order.Lindemann believed that a small circle of elites should run the world, resulting in a stable society, "led by supermen and served by helots." Lindemann concludes that science could yield a race of humans blessed with "the mental makeup of the worker bee."'Do you know,' he asked, 'what the future historians will regard as the most important event of this age?' 'Well, what is it?''It will not be Hitler and the Second World War; it will not be the release of nuclear energy; it will not be the menace of Communism.'These negatives seemed very comprehensive. He put on an expression of extreme severity and turned down the corners of his lips:'It will be the abdication of the White man.' Then he nodded his head up and down several times to drive home his proposition."

In the words of the French source, Churchill's reply was, 'D'abord le plaisir, après le travail' (Pleasure before work), and thus the bombs were directed at the residential quarters instead." Quoted in: Hamburger Abendblatt, 21. September 1963. (Scriptorium comments: International law prohibits intentional, deliberate attacks on civilians. Churchill thus willingly made himself a mass murderer, and exposed the bomber personnel of his RAF to the same charges. But an international military tribunal à la Nuremberg has yet to concern itself with this crime against humanity, since after all the victims were only Germans.)

Delmer, Sefton (1904-1979), former British Chief of "Black propaganda": "Atrocity propaganda is how we won the war... And we're only really beginning with it now! We will continue this atrocity propaganda, we will escalate it until nobody will accept even a good word from the Germans, until all the sympathy they may still have abroad will have been destroyed and they themselves will be so confused that they will no longer know what they are doing. Once that has been achieved, once they begin to run down their own country and their own people, not reluctantly but with eagerness to please the victors, only then will our victory be complete. It will never be final. Re-education needs careful tending, like an English lawn. Even one moment of negligence, and the weeds crop up again - those indestructible weeds of historical truth." (Said after the German surrender, in 1945, in a conversation with the German professor of international law, Dr. Friedrich Grimm.)

"The Jew is not satisfied with de-Christianizing, he Judaises; he destroys the Catholic or Protestant Faith, he provokes indifference, but he imposes his idea of the world, of morals and of life upon those whose faith he ruins; he works at his age-old task, the annihilation of the religion of Christ." -- (Rabbi Benamozegh, quoted in J. Creagh Scott's Hidden Government, page 58).

2,500 Christian churches were built in Hitler's Germany

At the very time when America's allies, the Soviets, destroyed most of the Christian churches in Russia and Ukraine, about 2500 new churches were built in Germany.

Not one Christian church was closed under Hitler. It was the law that school and church had priority over service in the Hitler Youth.

As late as the fall of 1944, the Waffen SS barracks in Breslau supplied two buses to take youth to either the nearest Catholic or Protestant church every Sunday. To be a registered member of a Christian church did not prevent advancement in the National Socialist Party.

Issued by the “Supreme Headquarters” of Allied forces in Europe, this secret World War II “guidance” letter instructs US and other Allied military officials to make “every effort” to suppress information about Allied use of “white phosphorus bombs as anti-personnel weapons.” Such use is contrary to the provisions of the Geneva Conventions, the document notes, and is therefore a war crime. Other aspects of Allied policy that must be kept secret are cited. The paper was issued in the aftermath of the infamous British-American fire-bombing of Dresden.

February 13/14 1945: Holocaust over Dresden, known as the Flo-rence of the North. Dresden was a hospital city for wounded soldiers. Not one military unit, not one anti-aircraft battery was deployed in the city. Together with the 600.000 refugees from Breslau, Dresden was filled with nearly 1.2 million people. Churchill had as-ked for "suggestions how to blaze 600.000 refugees". He wasn't interested how to target military installations 60 miles outside of Dresden. More than 700.000 phosphorus bombs were dropped on 1.2 million people. One bomb for every 2 people. The temperature in the centre of the city reached 1600 o centigrade. More than 260.000 bodies and residues of bodies were counted. But those who perished in the centre of the city can't be traced. Appr. 500.000 children, women, the elderly, wounded soldiers and the animals of the zoo were murdered in one night.

Dr. James B. Conant, president of Harvard, who had spent the First World War developing more effective poison gases, and who in 1942 had been commissioned by Winston Churchill to develop an Anthrax bomb to be used on Germany, which would have killed every living thing in Germany. Conant was unable to perfect the bomb before Germany surrendered, otherwise he would have had another line to add to his resume. His service on Truman's Committee which advised him to drop the atomic bomb on Japan, added to his previous record as a chemical warfare professional, allowed me to describe him in papers filed before the United States Court of Claims in 1957, as "the most notorious war criminal of the Second World War". As Gauleiter of Germany after the war, he had ordered the burning of my book, The Federal Reserve Conspiracy, ten thousand copies having been published in Oberammergau, the site of the world-famed Passion Play. Churchill, Winston: "I do not want suggestions as to how we can disable the economy and the machinery of war; what I want are suggestions as to how we can roast the German refugees on their escape from Breslau." Quoted in: Juan Maler, Die Unvollendete, p. 27.

Churchill wrote that he wanted "absolutely devastating, exterminating attacks by very heavy bombers from this country upon the Nazi homeland". In another letter he called it "terror bombing". His aim was to demoralise the Germans to catalyse regime change ... Records show that the first intentional "area bombing" of civilians in the Second World War took place at Monchengladbach on 11 May 1940 at Churchill's orders .

General Eisenhower, the beast who would soon be the President of the United States, at the opening of the Ruhr drive declared. “Our primary purpose is the destruction of as many Germans as possible. I expect to destroy every German west of the Rhine and within that area in which we are attacking.” Eisenhower, the Swedish Jew, having raped, robbed and destroyed his way across France and Germany, then went on to starve one and a half million German Prisoners of War to death in his Rhine Meadows Death Camps.The Jew trio of Roosevelt, Churchill and Stalin, did then at Yalta, condemn millions of the people, of Eastern Europe to a life under the control of the mass murdering Jew, Joseph Stalin, under whose orders untold millions of Christians were brutally tortured and murdered.In 1933, the declared aim of International Jewry, was the mass murder of the German people, every man, woman and child, for daring to break free from the stranglehold of the Jew controlled, international banking system.

"The next time you read about a particularly bloody pogrom and pause to wonder how Christians, dedicated to a religion of mercy, can exercise so much brutality against the Jews, remember that the Jew wheedles all the mercy out of his neighbors in the ordinary course of business. He lies and cheats until he is caught. When caught, instead of accepting punishment, he moans and tears his hair, invokes the sores of ancestors in their graves and living relations at the point of death in hospitals, until the wronged gentile, nauseated, lets him go. Then, thumbing his nose at the gentile behind his back, the Jew goes about his business the same way, lying and cheating now doubly to make up for lost time. A pogrom is usually the climax of years of such relentless goading. Do you wonder that when the final reckoning comes the gentile is absolutely merciless?

"Gentlemen, I have come this morning to the inexcusable conclusion that we have fought on the wrong side. This entire war we should have fought with the fascists against the communists and not the other way around.

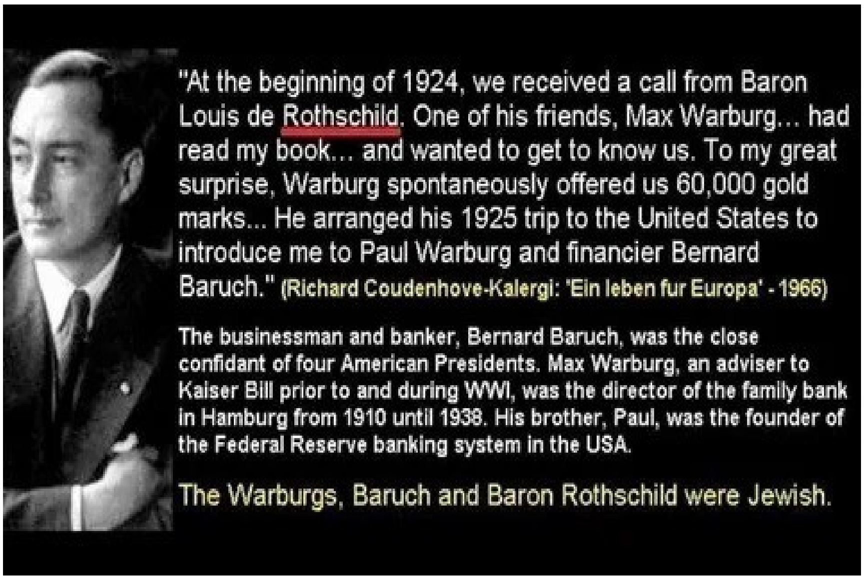

I fear that perhaps in fifty years America will pay a dear price and become a land of corruption and degenerate morals."

—— General George S. Patton (July 21, 1945)

A real General speaks. Then mysteriously "dies" in a car accident shortly after.

Legendary U.S. General George S. Patton realized late in WW2 that the United States fought the wrong country.
Patton felt the U.S. should have sided with Germany to destroy Jewish Bolshevik/Communist USSR.
This information comes from Patton's diary entries, letters he wrote to his wife, and comments he made to military officers and staff.
One diary entry of General Patton said –
"If what we are doing (to the Germans) is 'Liberty, then give me death.' I can't see how Americans can sink so low. It is Semitic, and I am sure of it."

Weimar Germany to Weimar UK: the Britain we once knew no longer exists ‘This isn’t the Britain we fought for,’ say the ‘unknown warriors’ of WWII.

They despise what has become of the Britain they once fought to save. It’s not our country any more, they say, in sorrow and anger. Sarah harks back to the days when ‘people kept the laws and were polite and courteous. We didn’t have much money, but we were contented and happy. ‘People whistled and sang. There was still the UK, our country, which we had fought for, our freedom, democracy.Where is it now?

‘I sing no song for the once-proud country that spawned me,’ wrote a sailor who fought the Japanese in the Far East, ‘and I wonder why I ever tried.’ ‘My patriotism has gone out of the window,’ said another ex-serviceman.

: ‘Those comrades of mine who never made it back would be appalled if they could see the world as it is today.

‘They would wonder what happened to the Brave New World they fought so damned hard for.’

‘People come here, get everything they ask, for free, laughing at our expense,’ was a typical observation.

‘We old people struggle on pensions, not knowing how to make ends meet. If I had my time again, would we fight as before? Need you ask?’

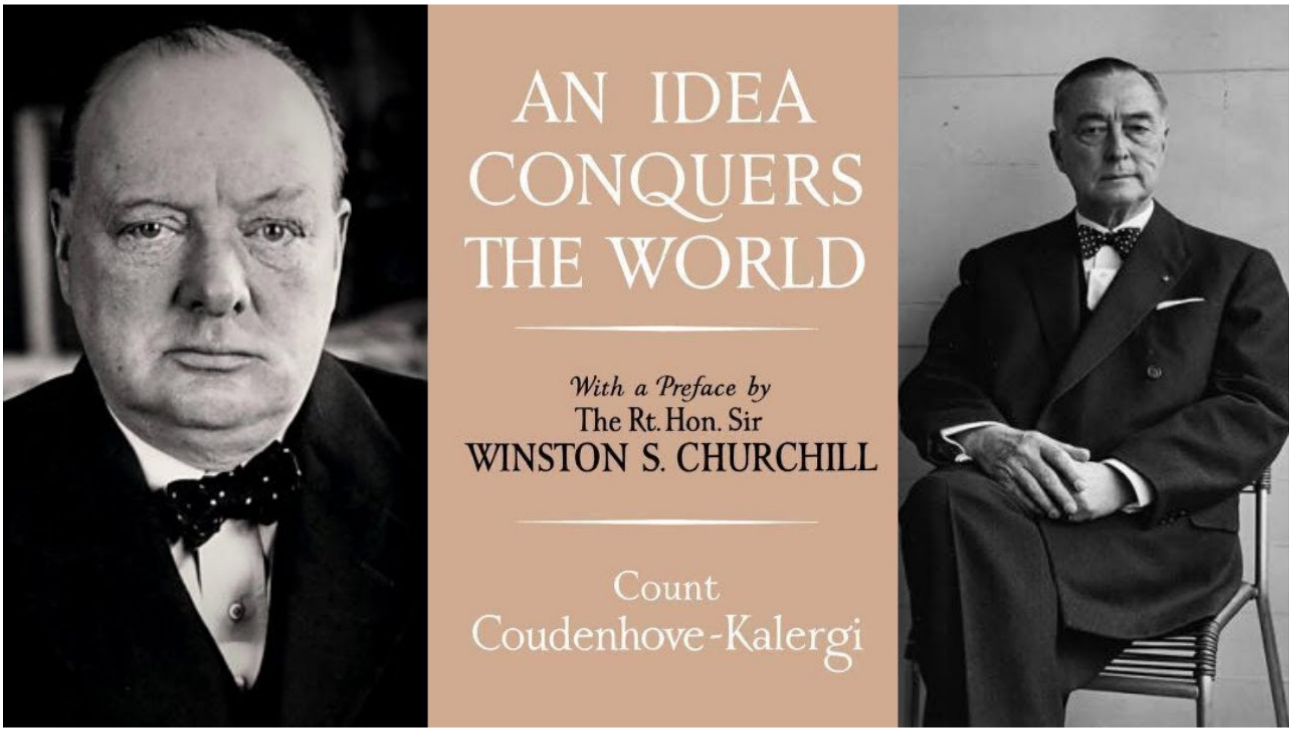

Many writers are bewildered and overwhelmed by a multicultural Britain that, they say bitterly, they were never consulted about nor feel comfortable with.

‘Our country has been given away to foreigners while we, the generation who fought for freedom, are having to sell our homes for care and are being refused medical services because incomers come first.’

The problem is, as I have said, the primitive one of food, and Japan, Germany and Italy are the three nations of the first rank who form the triple spearhead for a world demand for free trade in raw materials. For the possessing nations to meet and reprove Japan is pure hypocrisy. The Abyssinian war was forced on Italy, and the
Chinese war forced on Japan by the Empires and by international financial control of necessary supplies, and unless a World war is to come, their reasonable demands will have to be met. P131

In 1865 the Jewish Rabbi RZEICHORN, made a speech in Prague.
The speech was published 11 years later by Sir John Radcliff, who was assassinated shortly after its publication and it became almost extinct for years. Here are a few passages;

"With Gold one can buy the most upright consciences, with Gold one can fix the value of every stock, the price of every merchandise, one can loan it to states that afterwards one holds at ones mercy.

"Already the principle banks, the stock exchanges throughout the world, the loans to all governments are in our hands.

"The other great power is the press. By ceaselessly repeating certain ideas, the press in the end makes them considered as truths. The Theatre renders similar services, every where theatre and press follow our directives. By an indefatigable campaign in favour of the democratic form of government, we will divide the Gentiles amongst themselves in political parties, we shall thus destroy the unity of their nations, we will sow the seeds of discord. Powerless they will have to accept the laws of our bank, always united, always devoted to our cause.

"The possession of land has always procured influence and power. In the name of social justice and equality, we will divide the great properties; we will give small fragments to the peasents who desire it with all their heart, But who will soon be indebted to us by the very exploitation of these properties. Our capital will enable us to be the real masters.

"Let us use all force to replace the circulation of gold by that of paper; our banks will absorb the gold, and we shall decide what then what value the paper money will have, this will make us masters of every mans existence."We will promise to the workers salaries they have never dared to dream of, but we will also heighten the price of all necessities, so much so that our profits will be even greater.

The paper is signed by Marshal Semyon Timoshenko and the chief of the General Staff at that time Merezkov. It is dated 18 September 1940, three months before the German "Operation Barbarossa" was signed. After Georgy Zhukov became chief of the general staff in February 1941, the plan was called MP 41 (Mobilisatsyonni Plan 41). Bunich points to the Russian military archives, where it can be found (ZAMO, f. 15A, op.2154, d.4,l. 199-287). The oil fields had to be held as it was our last area to get oil. We had synthetic plants, like the ones at Auschwitz Birkenau, but they fell in January. We defended Hungary to the last round and lost many good men there. My comrade Hans Dorr [April 7, 1912 - March 21, 1945] was unlucky to be in a barn and a gun crew, who was missed in a search, fired a round at his staff, killing them. This was a hard blow to not only me, but the division. I also lost a personal friend in Kurt Schumacher [March 8, 1923 - March 20, 1945], a fellow Knight's Cross bearer; we both survived Cherkassy and were given the award. You could say the fighting in Hungary was our last gasp as an organized force. Wiking was moved up into the Reich, and by then it was over. Men started to be sent home to their families, others to see if their families were even still living.

"To answer your question, in Russia, there are two distinct governments, one visible, and the other invisible. The visible is made up of different nationalities, whereas the invisible is composed of ALL JEWS. The powerful Soviet Secret Police takes its orders from the invisible government. There are about six to seven million Communists in Soviet Russia, 50% are Jews and 50% are Gentiles, but the Gentiles are never trusted. The Communist Jews are united and trust each other, while the others spy on one another. About every five to six years the secret Jewish Board calls for a purge of the party and many are liquidated."

When asked why, Mr. Rosenthal replied, "Because they begin to understand too much about the Jewish secret government. Russian Communists have a Secret Group Order which consists of Jews only. They rule over everything pertaining to the visible government. It was this powerful organization that was responsible for the secret removal of the center of Communism to Tel Aviv from where all instructions now originate ... the invisible rulers in the Communist countries have a world control over the propaganda and the governments in free countries. We control every media of expression including newspapers, magazines, radio, and television. Even your music! We censor the songs released for publication long before they reach the publishers. Before long we will have complete control of your thinking."

Savage rapes and murders of 2 million German women by Red army soldiers, the bulk Mongols, Tatars, and Jews with an atavistic hatred of the White race. Russian troops had been incited to lust murder by the psychopathic Jewish propagandist Ilya Ehrenberg.
https://crazzfiles.com/hellstorm-the-rape-and-mass-murder-of-german-women-after-wwii/

In a recently published book by the Professor of Modern History at Cambridge, Richard Evans, a young Russian officer is quoted recalling how when his unit overtook a column of fleeing German refugees: 'Women, mothers and their children lie to the right and left along the route, and in front of each of them stands a raucous armada of men with their trousers down. The women, who are bleeding or losing consciousness, get shoved to one side, and our men shoot the ones who try to save their children.' A group of 'grinning' officers ensured that 'every soldier without exception would take part'.
Evans records: 'Rape was often accompanied by torture and mutilation and frequently ends in the victim being shot or bludgeoned to death. The raging violence was undiscriminating.' The insistence on the men watching the rapes was deliberate policy, intended 'to underline the humiliation'.

"The tankers, sheathed in their iron horses, were unable to shag PWs back to the rear cages. They had to do something with them. So they did."They machine-gunned them to death. And made no apology for it."Combat veterans aware of the real situation know I am only scraping the surfaces. Rumors were always rife of mass liquidations of German PWs, especially by our tankers." (23rd May 1946.).....
Then there is the message of the U. S. A. General Mark Clark(Jew) to the Fifth Army on 12th February 1944 in which he said he welcomed the enemy's assaults:". . . for it gives you additional opportunities to kill your hated enemy in large numbers. It is an open
season in Anzio beachhead and there is no limit to the number of Germans you can kill."

Despite the German observance of convention the American forces response was often as summary and as brutal as those practiced by their Soviet allies. Only in cases where large numbers of captured soldiers had been taken were they to be enslaved. If captured in smaller groups the US Army policy was simply to slaughter their captured prisoners where they stood.

Ten Highspots on the Allies' Road to Berlin

Major geographical highlights in World War II, since the Allies turned the Nazi tide at El Alamein and Stalingrad, are traced on this map showing the general trends of Allied thrusts during the last two and one-half years, climaxed as Russian forces reached Berlin and U. S. and Russian troops neared a junction south of Berlin. (A. P. wirephoto).

April Prisoner Bag Over 1,000,000

Paris, April 24—AP—The Allied bag of German prisoners during April already has passed the one million mark with six more days left in the month.

From April 1 to 22 inclusive 992,578 prisoners were killed. It is estimated that well over 20,000 were captured yesterday.

A German historian estimates in her book that French, British and American soldiers raped 860,000 Germans at and after the end of the WW2, including 190,000 sexual assaults by American soldiers.
https://web.archive.org/web/20210412194536/https://dailyarchives.org/index.php/archives/19-french-british-and-american-soldiers-raped-almost-one-million-german-women-after-world-war-ii

'Many a sane American family would recoil in horror if they knew how 'Our Boys' conduct themselves, with such complete callousness in human relationships over here.'
-An American serviceman, TIME Magazine, November 12, 1945

Between 20 and 25 MILLION Germans and 'collaborators' (foreigners) were killed AFTER the war. When we reached Metgethen, we were confronted with a gruesome sight: We found several hundred dead German soldiers, many of whom had been disfigured beyond recognition. There were murdered civilians in just about every home, likewise disfigured in a most bestial manner. For example, some women had their breasts cut off, and in backyard gardens we found scarcely clad women who had been hanged upside down.
In one house we came across a 63-year-old woman still alive. Crying, she told us that she had been raped by 12 to 15 Russians. She lay on the floor covered in blood. This old woman’s daughter had escaped into the forest nearby, but her one-year-old child was abducted by the Russians. In the streets of Metgethen, and also at the railroad station, we found approximately 15 baby carriages, some overturned, all empty. We concluded that this meant the Russians had also abducted these babies.'

Germany suffered inhuman terrors at the hands of the communists during and after the war. German women aged eight to eighty were brutally gang-raped by Soviet soldiers. Ten to fifteen million women were raped! And not only German women, but Polish and even Russian women were

ravaged by the communist rape-gangs. Even nurses and Red Cross workers were raped and often murdered. Furthermore, embassy workers of neutral countries were even raped, along with Catholic nuns.

Former British Army veteran A.W Perkins of Holland-on-Sea described conditions in the 'Sennelager' British concentration camp, which shockingly held, not captured troops but civilians. He recounts; "During the latter half of 1945 I was with British troops guarding suspected Nazi civilians living on starvation rations in a camp called Sennelager. They were frequently beaten and grew as thin as concentration camp victims, scooping handfuls of swill from our waste bins."

This ex-guard described how other guards amused themselves by baiting starving prisoners. "They could be shot on sight if they ventured close to the perimeter fence. It was a common trick to throw a cigarette just inside the fence and shoot any prisoner who tried to reach it." . "When Press representatives ask to examine the prison camps, the British loudly refuse with the excuse that the Geneva Convention bars such visits to prisoner-of-war camps." complained press correspondent Arthur Veysey from London on May 28th 1946.

8000 on board
Allied Attacks Killed Thousands of Concentration Camp Inmates....
On the afternoon of May 3, 1945, British "Typhoon" fighter-bombers, striking in several attack waves, bombarded and fired on the Cap Arcona and then the Thielbek. The two ships, which had no military function or mission, were flying many large white flags. "The hoisting of white flags proved useless...
The Thielbek, struck by rockets, bombs and machine gun fire, sank in just 15-20 minutes. British planes then fired on terror-stricken survivors who were struggling in rescue boats or thrashing in the cold sea. Nearly everyone on board the Thielbek perished quickly, including nearly all the SS guards, ship's officers and crew members. Only about 50 of the prisoners survived.

At the Versailles Conference(1919), it was actually proposed that no restriction should in future be placed upon international movements on account of Race. The only opposition to this outrageous proposal for mongrelising the world into a universal khaki-skinned mob, came from Mr. W. M.Hughes, Prime Minister of Australia, who intimated that the six and a half million people of that country were ready to defend themselves against the whole world rather than submit to Race-mixture.

Dangerous precedents were also created by the Nuremberg court.Maurice Bardeche points out that the concept of having a native country was discarded. Everybody, or more correctly, every Jew, is world citizen. The Jewish migrant from Zhitomir is as much a citizen of your country as you are. He has equal rights to your land. You agricultural workers must respect the rights of Negroes on the land,and you must make room for him at your table. He will march in and take office in your city or rural council, so as to make you familiarwith outside “world conscience”. His sons will, perhaps, become masters over you and they may sit in judgment over your sons. They will rule in your own city and they will re-sell you your own land, for “world conscience” entitles them to do so.

The Coudenhove-Kalergi plan – The genocide of the Peoples of Europe.
In his book «Praktischer Idealismus», Kalergi explains that the citizens of the future "United States of Europe" will not be the people of the Old Continent, but a new mixed breed, the products of thorough and widespread miscegenation. He states that the peoples of Europe should interbreed with Asians and other non-White races, to create a multiracial population, with not clear sense of tradition or identity and therefore easily controlled by the ruling elite.

Meet Luna, a 9-year-old Swedish girl.
She was beaten, r*ped, suffocated and strangled by an Ethiopian immigrant at her school.
Luna was a friendly little girl, loved by everyone in her class. Now she has permanent brain damage.She cannot speak and cannot move her arms or legs. She is trapped in her own body, unable to express herself or move her limbs.
Luna is one of the many countless victims of Europe's open borders policy.
How many more of our children are we going to sacrifice at the altar of multiculturalism?

PRECEPTS OF THE TALMUD CONCERNING CHRISTIANS
From what has been shown thus far, it is clear that, according to the teaching of the Talmud, Christians are idolaters and hateful to Jews. As a consequence, every Jew who wishes to please God has a duty to observe all the precepts which were given to the Fathers of their race when they lived in the Holy Land concerning the idolatrous gentiles, both those who lived amongst them and those in nearby countries. A Jew is therefore required to (1) To avoid Christians; (2) To do all he can to exterminate them.

CHRISTIANS MUST BE EXTERMINATED
Since, however, it is not always and everywhere possible to effect this extermination of Christians, the Talmud orders that they should be attacked at least indirectly, namely: by injuring them in every possible way, and by thus lessening their power, help towards their ultimate destruction. Wherever it is possible a Jew should kill Christians, and do so without mercy.

Article I. - HARM MUST BE DONE TO CHRISTIANS
A Jew is commanded to harm Christians wherever he can, both indirectly by not helping them in any way, and also directly by wrecking their plans and projects; neither must he save a Christian who is in danger of death..... Since, however, it is not always and everywhere possible to effect this extermination of Christians, the Talmud orders that they should be attacked at least indirectly, namely: by injuring them in every possible way, and by thus lessening their power, help towards their ultimate destruction. Wherever it is possible a Jew should kill Christians, and do so without mercy.

Protocol 11 -The Totalitarian State.-Hatred, struggle, envy and even to use torture, starvation, the inoculation of disease and want, so that the goyim see no other course open to them than to take refuge in our complete sovereignty in money and in all else.

Did Heinrich Himmler recognize where Western Civilization was heading, and did he try to turn the tide with his orders to the SS? Read the following of his orders:
“The following transgressions will be severely dealt with and have no place in lives of the soldiers of the SS:
Theft from comrades and others.
Seduction of underage girls, and rape. .
Accumulation of debts and purchasing things on time payments.
Cheating at sports and other contests.
Serious fights between relatives.

Mistreatment of prisoners of war.
Finally this admonition: Always remain truthful and chivalrous: Both in battle as well as in your private life. ”

World War II, German soldiers convicted of rape in any of the occupied countries usually received the death penalty, and as a rule the sentence was quickly meted out.Upon questioning, the young WafFen-SS soldier readily admitted to the affair with the girl, and his comrades who had known about it backed him up. In spite of this, the young soldier was convicted and executed.

Hitler Quote-"I shall at some future date be able to demand of history that it will certify that at no hour of my actions in behalf of the German people did I forget the duties which I and all of us owe to the preservation of European culturalized civilization. A prerequisite, however, for the continued existence of this Continent, which is so extraordinary because of the differences of its cultures, is

the realization that it is unthinkable without the existence of free and independent national States. Let every European people be convinced it has made the greatest contribution to our Occidental culture."
